Precious Parents,  
We will be here in  
Peshastin, Wash., for  
2 weeks or longer. Be  
sure to write us soon,  
won't you?

It is so lonely & cool.  
Peshastin is a quiet  
little town in a most  
beautiful pine-tree  
covered canyon, where  
people make their living  
ranching, fruit growing  
& logging. A large saw-  
mill is right here in town  
on Wenatchee River.

God bless you & the girls  
much love - Helen & Rose
